

KICKAPOO VALLEY RESERVE

Rule Reminders:

1. A parking permit is required for use of river access areas. Parking permit is included in land/trail and camping permits.
2. Hikers, bikers, horseback/mule riders, cross-country skiers, snowshoers must obtain a visitor's permit prior to use. Day use and annual permits include river access parking.
3. Equestrian and bike users must remain on designated trails. Trails are posted closed during wet conditions.
4. **NO trash** shall be left on Reserve lands. Bury all human waste. No glass on the river.
5. Keep dogs on leash April 15 - July 31. Dogs must be under voice command or on leash at all other times.
6. Collection of archeological or historic materials is prohibited by federal and state laws.
7. Special Event permits must be received at least 30 days prior to the date of intended use. Additional details on website and posted at Visitor Center.

Camping:

First come; first serve camping. Campers must pay a camping fee/night/site/10 people. **Trail permit not included in camping fee.**

1. Camp in designated sites only. The Kickapoo River is highly susceptible to flash flooding. No camping in the floodplain.
2. Leave No Trace. Do not try to burn non-paper trash materials (e.g., aluminum foil, plastics, etc.).
3. Toilet pits shall be at least 200 feet from any water source; thoroughly bury human and pet waste. Keep soap and food scraps out of all water sources.
4. Use only dead, downed wood for campfires and existing firepits. Do not cut live vegetation or peel bark from live trees. Campfire must be completely out when leaving site.

This is a rustic area; recreate at your own risk.

Dial 911 in the event of an emergency. Subscribe to NIXLE for Emergency Alerts in 54639 zip code.
