

Building and Program Fees for Schools, Government Agencies, and Registered Non-Profits

Program Fees (KVR-provided educational programming)

\$4/person per program

Programs typically run 1.5 hours but can be shortened if requested ahead of time. A full day of programming is equal to three programs (\$12/person). There is a minimum fee of \$45 for any group size and length of program, to cover administrative costs. The cost is for students only, chaperones are free (up to 3 chaperones per 15 students, additional cost may be added for extra chaperones).

Fees will be invoiced after the group visit, to ensure accuracy (you will only be charged for the actual number of attendees, not the requested number).

*La Farge and NOW districts are exempt from programming fees.

*Other exemptions may be made on a case-by-case basis, by the KRMB

*For School group visits with programming, no room rental fees will be charged.
