

Title: Education Program Instructor/Naturalist

Compensation: Per diem (as needed) by Contract

Work Schedule: Varies

The Kickapoo Reserve Management Board (KRMB) in La Farge, Wisconsin is accepting applications for Education Program Instructors/Naturalists for the Kickapoo Valley Reserve Education Programs. Applicants should be motivated individuals who enjoy being outdoors and teaching children. They will be expected to guide activities and programs focusing on a wide variety of environmental sciences and outdoor recreation activities at the Kickapoo Valley Reserve, such as pond study, animal tracking, orienteering, ice hikes, low ropes challenge course, geology, and human history (curriculum/supplies provided by KVR). For more about the KVR Education Program: [/education](#).

The ideal candidate(s) should have a flexible schedule and an appreciation for outdoor and nature awareness education. Experience working with students of different ages and the ability to work effectively with the public are also required. Applicants should be motivated and able to work independently. Instructors can pick the dates of availability based upon the needs of the scheduled programs. Programs are scheduled year-round and typically occur Monday through Friday between 8 AM and 4:30 PM, with most instructional time running 9:00 AM-2:00 PM.

Selected individuals will receive an hourly wage set by contractual agreement for compensation with an expectation of teaching at least four (4) classes each year. Training is available, but prior experience working in a teaching and/or nature environment is preferred.

To apply: Please submit a resume with three references and letter of interest to Jason Leis, Executive Director, Kickapoo Valley Reserve, S3661 State Highway 131, La Farge, WI 54639 or email jason.leis@wisconsin.gov.
