KICKAPOO RESERVE MANAGEMENT BOARD POLICY NO E-BIKES ALLOWED

Long discussions and considerations to the mission of the Kickapoo Valley Reserve, brought the KRMB to the policy that no electric bikes or electric powered wheeled devices of any kind will be allowed on the Kickapoo Valley Reserve.

GET INVOLVED

PUBLIC INPUT IS ALWAYS WELCOMED AND ENCOURAGED.
IF YOU HAVE QUESTIONS OR WOULD LIKE TO BE INVOLVED IN THE MANAGEMENT DECISIONS OF THE KICKAPOO VALLEY RESERVE, PUBLIC MEETING SCHEDULE CAN BE FOUND KICKAPOOVALLEY.WI.GOV

PUT TRAIL ETIQUETTE FIRST

Trail etiquette is the first step to user safety on the trails. Know your own ability and respect everyone else's. Be kind and speak to everyone you meet. Horses associate a human voice with a human and not a scary horse eating monster on wheels, SPEAK UP! Yield as designated. Always control your speed.
